Space requirements for a Larrikin Puppets puppet show:

- You will need to provide us with a minimum 3m x 3m performance space PLUS space in front for your audience. We need a height of at least 2m.
- For audience and performer health and safety, we place a red line 2m in front of our puppet theatre.
- See our 'How To Set Up For A Larrikin Puppets Performance' tip sheet for more info.

Note: The one puppeteer option is only available for ages 6 and under. For birthday party shows located in childcare centres or schools, please refer to the relevant rate card. We do not perform for adult birthday parties unless the adult has special needs.
